Kings Canyon is designed as a cost effective solution for schools, bike trails, parks, and recreation areas. It's simple, strong structure combines comfort, style and durability for the user. This bench can be personalized with engraving or plaque.

FEATURES + SPECIFICATIONS

Our receptacles use the Eco-Dip painting process—proven to better saturate parts with primer to increase durability and the life of the product.

Recycled Material

- Made of recycled high-density polyethylene (HDPE)
- Color is molded-in; requires no painting or sealing
- Minimal maintenance, stain resistant, and graffiti-proof
- Will not rot, crack, chip, peel or splinter
- Mold and mildew resistant; waterproof
- Impervious to insects and bacteria
- UV resistant
- Not affected by exposure to cleaning products, chemicals, severe weather or intense sunlight
- Easy to clean
